

# Safe Drive, Stay Alive

Safe Drive Stay Alive is a road safety initiative where the audiences hear real life stories from the emergency services and families who have all been affected by road traffic collisions.

The speakers have all come forward to share their emotional experiences in a bid to reduce the number of young people killed or seriously injured on Lancashire's roads. Safe Drive Stay Alive is emotional and encourages reflection.

The sessions aim to encourage students to improve their attitudes towards risk taking behaviour on the roads.
