Please clearly state that you are interested in the Drive Safely for Longer course
What is the Drive Safely for Longer course?
The course is designed for clients aged 60 years and over who are residents of Lancashire.

The course is split into two sessions tailored to your needs by experienced qualified driving instructors. It will help you to enhance your practical driving skills to continue driving safely for as long as possible.

Brush up on your observation skills and address any driving concerns you may have.

What do I do next?
Fill in the details on this leaflet. Post or email to the team and we will contact you to answer any questions and book you in. You can also ring the team on the number overleaf.

How much is the course?
There is a course fee of £35*. This is a contribution to the course costs which are subsidised by the Lancashire Road Safety Partnership.

*This is for 3 hours of one to one tuition tailored to your requirements.

What can you expect from us?
A friendly and informal course designed to meet your individual needs, helping you to keep driving safely for longer.

What does the course involve?
The course is split into two sessions; both are practical and both will need to be completed. You will be driving on the roads you frequently use. Our qualified driving instructors will meet you at the address you specify.

Session 1: A two hour practical during which your driving style will be observed and guidance and improvement techniques offered.

Session 2: A one hour practical within 3 months of your first session; this is to evaluate the effectiveness of the techniques you were previously shown and to reinforce any training given.

You will be driving your own vehicle from your home address on roads you know.
